09

ESPRESSO notebook - a product that inspires and stimulates the imagination. Its cover is made with ground coffee beans (15%) - this unique material gives it a unique character and makes it not only a notebook, but also a small journey into the world of aromatic sensation. The back of the notebook, reminiscent of the structure of cork, emphasises its ecological character, with 30% of its composition consisting of ground coffee beans. The 80 creamy, kraft pages will delight creative people, while the regular and discreetly printed dot pattern will keep your notes neat and tidy. A biodegradable pouch completes the product as its packaging. The notebook is designed in the popular and handy A5 format.
