VERA YOUNG

The premium soy candle by VERA YOUNG, is handmade from natural plant waxes. The fragrances used are created according to proprietary recipes specially developed for the Vera Young brand in Europe. The Library fragrance is a carefully created combination of unique notes: amber, incense and cashmere form the heart of this extraordinary candle. In addition, notes of ginger, vanilla, cinnamon and delicate touches of tobacco leaf are incorporated. The result of this aromatic marriage is a candle whose fragrance evokes a library atmosphere, filled with the scent of old, precious books. It is an amazing sensory experience that transports you into a magical world of literature, enveloping your interior with subtle elegance. Soy candles are a healthier and more environmentally friendly alternative to traditional paraffin candles. The absence of paraffin in the composition of VERA YOUNG candles is important because it means fewer toxins, better performance, a more environmentally friendly origin of the wax and a cleaner and more intense release of fragrances. The burning time of the candle is approximately 70 hours*. The candle has a wooden wick, which burns more evenly, longer and creates a pleasant crackling effect and emits less soot and smoke than . Each candle is packaged in an elegant cardboard box and has a description on how to use it, so that everyone can enjoy this special gift for as long as possible. * VERA YOUNG candles burn 20 hours longer than candles from other manufacturers of the same capacity. Ecological candle, safe for health, free of harmful substances. The wooden wick may vary in appearance depending on the type of production. Manufactured in the EU.
